

Attestation E1-791-1/2014

Herewith it is confirmed that in the first half of 2014 a regular supervision of the product

MDF - ALFAWOOD - PINDOS

MDF, melamine-urea-formaldehyde (MUF), unfaced
technical class: EN 622-5; DIBt 100, E1
in the thickness range: ≤ 40 mm

manufactured by

ALFA WOOD - Pindos S.A
7th km GREVENON-MAVRANEI
P.O. Box 100 - GR 51100 Grevena
Greece

was carried out by the approved supervision body (NDS08)

Fraunhofer-Institute for Wood Research

Wilhelm-Klauditz-Institut WKI
Bienroder Weg 54 E, 38108 Braunschweig, Germany

according to supervision contract no. 791 dated 5 May 2010. It was found, that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation confirms the validity of E1-Certification No. 791 and is part of the evaluation report. The continuous external supervision of factory production control shall take place twice a year.
